

MUSIC & THEATER

Not all programming is offered at each center

Act One

Take an imaginary journey filled with fun and fantasy! Designed for children of varied abilities, this spectacular drama program uses improv, creative movement, theatre games, costuming and props to take children on adventures they won't soon forget! From fairy tale castles to safari scenes, budding young artist explore the world of creative drama. At the end of this course, children shine as they put their talents on display in a fun show.

Canto Mariachi

Introduction to the elements of singing. No need to be shy. This will be a fun class dedicated to having each student sing on his/her own. We'll cover posture, breathing, vocal production, and articulation with an emphasis in Mariachi music. Bring a smile and come prepared sing Mariachi style. Class is taught in both Spanish and English.

Center Stage

Comedy and laughter are contagious in this truly entertaining program that combines drama, comedy and improv. Theatre games, costuming and props set the stage for a fun-filled time. Children tap into their creativity as they act spontaneously through improvisation and laugh along with others in comical skits. Material varies from short plays to skits and monologues. At the end of this course, participants put their talents to work in the production of their very own show!

Ensemble

Ensemble is a course designed to give guitar, violin, viola, flute, cello or recorder players an opportunity to sight read music and perform works from a variety of periods and composers in ensemble form. You must provide your own instruments and be able to read and play music.

Fairy Tale Theatre

A 6-week class for 3-5 year olds. Each class involves stories, skits and crafts. Express your creativity in a fun environment through the magic of theatre!

Group Music

Now that you can read and play music, would you like the experience of playing in a group? This course will teach you how to follow a conductor's artistic directions such as tempo, dynamics and articulations. It is intended for guitar, mandolin, violin, viola, cello, flute or recorder. Middle Ages through Classical period music will be provided. Please not your musical instrument on the registration form.

Guitar – Beginning/Intermediate

Beginner: Introduction to guitar is a course designed for students who have little or no experience playing guitar. Our primary focus will be learning the basic techniques used in popular styles such as rock, folk, jazz, blues, country, etc. Material covered will include reading chord diagrams, chord charts from song books, chord voicing, right and left hand techniques, the major scales and their importance in popular music and more. **Intermediate:** This intermediate guitar class is in continuation of the Introduction to guitar course. Students who have already taken Intro to Guitar or have equivalent skills will benefit from this course. We will cover the topics of: sight reading, improvisation, and accompaniment by working on a set of songs to be performed at the final meeting. To enroll in the class students should know the names and numbers of their strings and be able to read chord diagrams and tablature.

Guitar for Classic Players

Begin to play classic guitar pieces specially adapted for beginners. You will learn how to tune your guitar, proper posture and hand placement. You don't have to be able to read music notes to take the class, just come ready to learn. Please bring a guitar.

Guitar for Adults – Beg./Adv.

Beginner: Intro to guitar for adults is a class designed for aspiring guitar players with little or no experience. The primary goal of the class will be to teach students how to play chord accompaniments for singers. We will learn chords, strum patterns and scales. We will learn to read chord diagram tablature so that a student will leave the class with the ability to read song books and play their favorite tunes. **Advanced:** Already know how to play the guitar, but just wanted to learn a few more pieces? Advanced Guitar is a course for you, designed to give experienced guitar players an opportunity to be able to sight read and perform works from a variety of periods and composers in duet, trio, or quartet form. This course will include an end-of-the session performance, to show off what they have learned!

Karaoke Club

Join us as we develop and learn singing basics. Learn some vocal drills and do's and don'ts, then jump right on in. We'll do karaoke for the majority of the time. We'll touch on big band, country western, pop, R&B, Latin, mariachi, and oldies. No fear here, we're gonna have fun. This will be a low stress relaxing atmosphere including: beginning and intermediate singers. You may bring your own G-rated CDs if you like.

Latino Theater

Learn the basics of theater, acting, and improvisation. A dynamic theater experience with an emphasis on Latino culture. Instructor Victor Perez has performed with Teatro de Los Pobres for 25 years. He is a skilled musician and vocalist and performs professionally with his own orchestra.

Learn Guitar with Grandma Mary

Learn guitar basics, including chord progressions and strumming. Grandma Mary will also teach simple songs in Spanish and English. A book may be required with separate charge. Learn to tune and take care of your Learn guitar basics, including chord progressions and strumming. Grandma Mary will also teach simple songs in Spanish and English. A book may be required with separate charge. Learn to tune and take care of your instrument, so you can make Grandma proud.

Music for Infants and Preschoolers

Irresistible weekly music classes provide a unique music education experience for very young children and their parents. Children are immersed in a loving environment with a class focus on Orff melodies throughout. Irresistible weekly music classes provide a unique music education experience for very young children and their parents. Children are immersed in a loving environment with a class focus on Orff melodies throughout, making this the perfect first step toward instrument lessons. This class is for infants and pre-schoolers and their parents. Early exposure to music and movement activities aids in the child development. Parent will also learn musical development tool to use at home

Music Revue

Dance, act, and sing to musical numbers from all your favorite musicals. This program focuses on the different elements of group productions and essential performing skills that include character building, stage presence, and movement. The finale will star the entire cast in a variety show!

Musical Theater

Learn to perform like your favorite stars in High School Musical! Both song and dance instruction will be covered! Students will learn a great musical theater routine that they will perform for parents on the final class!

Music Together

Music Together is an international, music and movement program for children and their caregivers. It is research-based, developmentally appropriate, fun and informal, providing stimulating experiences for both child and caregiver regardless of one's musical abilities. Songs, chants, instrumental play and dance are experienced in a non-performance, mixed-age setting. A manda-

tory \$40 material fee is payable to instructor the first day of class. Includes songbook, 2 CD's and a parent guide for parents new to the program. Siblings under the age of 8 months are free.

Parent and Child Keyboard

Don't miss this chance to introduce your child to the study of piano, note reading, rhythm, and melody through games and fun activities. Each child will have a keyboard for use in the class. Fee includes one parent and one child; parent must attend with child. A book fee of \$15 is due at the first class meeting. On the last day of class there will be a recital.

Piano Keyboard (Level 1, 2, 2/3)

A class in basic piano skills and music reading. Principles of rhythm, melody, harmony and ear training are taught with the aid of tonally accurate portable keyboards provided by the instructor. Participants will enjoy this individual approach. Access to a piano or keyboard is recommended. A \$7.50 music book fee payable to the instructor will be collected at the first class for Noteworthy taught classes only. Students must bring their own set of headphones. Please register your child in their appropriate level, for their age. Level I - Beginner level with NO prior keyboard or piano playing experience or lessons. Level II - Participant has completed Level I.

Semi Private Piano Keyboard Lessons

This class will introduce the basics of piano. Children will learn through individual attention from a seasoned instructor. Students must bring their own set of headphones. This class will introduce the basics of piano. Children will learn through individual attention from a seasoned instructor. Students must bring their own set of headphones

So You Want to Sing like your Favorite Pop Star?

This is designed to have fun singing some today's favorite Pop Stars like Hannah Montana, Christina Aguilera, Beyonce, Justin Timberlake and more. This class will be teaching vocal exercises dealing with the This is designed to have fun singing some today's favorite Pop Stars like Hannah Montana, Christina Aguilera, Beyonce, Justin Timberlake and more. This class will be teaching vocal exercises dealing with the fundamentals of singing such as breath support, resonance, legato, and agility and individual work on songs.

Theatre Connection

This workshop gives children the chance to act on stage. All participants get a role and even have the opportunity to give their creative input. Our unique approach teaches kids many things they can apply to their regular every day life. All this can be accomplished in our stress-free environment where children also make new friends through the magic of theatre.

Voice & Song (Future Singing Idol)

Voice is a fun class for kids to learn about and engage in vocal performance. This class includes how to develop and use your voice (technique), reading music, theory (notes names and values, symbols and terms) and Voice is a fun class for kids to learn about and engage in vocal performance. This class includes how to develop and use your voice (technique), reading music, theory (notes names and values, symbols and terms) and eventually harmonizing in groups like a choir. Students will learn songs and perform them in a small concert at the end of the course for family and friends
